the color and signing stuff. I'm attaching a mock-up done by Dave Kelsey. There will be a 16" stripe around the building that will match the ochre that already exists and was approved by Historic Commission a couple months ago. Signage will be as seen in the mockups, the logo on the side of the building There will be an additional rust red from the Benjamin Moore Historical collection. Will you need hard copies as well? I can get those to you when I'm back in town, definitely in time for the Oct.8 meeting.

THANKS!

Marie
