

The following minutes were taken at the special meeting of the Road Improvement Committee 6pm on March 21, 2022, at the Town Hall in Abita Springs, Louisiana. Alderman Patterson called the meeting to order.

Roll Call: Alderman Patterson, Town Clerk Janet Dufrene, Mayor Daniel J. Curtis, Bill Mardis, Jessica Schilling, Bret Bowen, Michelle Milner, Jay Hawkins, Dalton Lambert

Committee Purpose: Discussion occurred communicating that the purpose of the committee is to review, rate and categorize all streets in the Abita Springs Road System. This project will then be presented to the town to use as a framework for creating a Repair and Maintenance Program for town roads. It will also be used to create a current capital outlay project for the immediate repair and maintenance of the most emergent issues.

Process: Discussion occurred spelling out the criteria for rating roads and the system for rating them. The town map was divided into 5 sections with each section being assigned to a different committee member. Committee members should review the comments submitted through the town's online survey for the roads in their area. Committee members should drive their area and make notes about possible repairs, maintenance. Upgrades and improvements needed on each.

Public Comment: Adrienne Juttner requested that the committee members consider possible improvements to the town entrances on the state highways.
